Intelligent cooling. Powered by AI.

Godrej Refrigerators

Trusted appliances since 1958

At Godrej, quality isn't just a claim, it's a promise. It's what builds trust, year after year. That's why every appliance we create is designed to deliver reliability you can count on, every single day.

It's this unwavering belief in our technology that defines the Godrej Promise, so you can lead a lifestyle of comfort with peace of mind.

Unlock Trusted Quality 5 years of comprehensive warranty free*

Godrej Promise

Godrej Refrigerators

At Godrej, we design each refrigerator with a deep understanding of Indian homes, where tradition embraces modern living. With AI-powered cooling that adapts to your life, advanced technology that locks in freshness, and elegant styles that complement your kitchen, our refrigerators enrich your everyday life.

Intuitive, energy-efficient, and effortlessly stylish, they bring the perfect blend of innovation and sophistication to your home, while ensuring freshness stays intact for the longest.

Beautiful homes, unlocked.

SIDE-BY-SIDE REFRIGERATOR

Powered by AI

Imagine a refrigerator that thinks just like you. Powered by AI, Godrej Refrigerators make cooling more intuitive than ever. With intelligent sensors and adaptive technology, they understand your usage patterns and optimise cooling for maximum freshness and energy-efficiency. A refrigerator that thinks ahead, so your food stays fresher!

Smart Convertible Zone

Cooling that reaches every corner! Godrej's patented Cool Shower Technology features strategically placed vents under the shelf to evenly distribute cool air. This technology ensures uniform cooling and consistent freshness even when your fridge is heavily stacked, so you get perfectly chilled food, every time.

Large Storage Capacity

With a carefully planned 600L capacity, this side-by-side refrigerator lets you store more. Fresh ingredients, weekend plans, midnight cravings; everything finds its place with ease. No clutter. No compromise. Always organised, always within reach.

EON VELVET

RS EONVELVET 646C RIT

Luxury in every detail. Cooling in every corner.

With a sleek design that lifts your kitchen and intelligent technology that adapts to your lifestyle, this refrigerator fits in your life seamlessly and thinks ahead.

Powered by AI, it senses how much food you've stored and how often the door is opened, adjusting cooling automatically to keep everything fresh. And with spacious interiors that make room for everything you love, storing more is never a hassle, it's just part of the design.

Available in 600L Total Volume

DOUBLE DOOR REFRIGERATORS

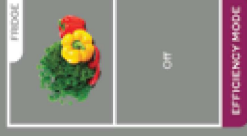

Nano Shield Technology

You never know how many hands have touched your food before it reaches you. Godrej's Nano Shield Technology (patent applied) disinfects over 95% of food surfaces in the refrigerator, eliminating invisible germs.

4-in-1 Convertible Modes

With 4-in-1 Convertible Modes, Godrej Refrigerators adapt to your needs effortlessly. Whether you're stocking up for a feast, need extra space for beverages, or heading out on a holiday, simply switch between modes to optimise storage and energy usage. Use your refrigerator the way you want, because it should work around your lifestyle, not the other way around.

4 in 1 Convertible Modes

Designed to Wow

Your home tells a story with every detail and choice. Shouldn't your refrigerator be a part of it? At Godrej, design takes centre stage in everything we create. From elegant fluidic curved doors to rich wood finishes, a palette of colours that complement every kind of home, our refrigerators are crafted with personality. They aren't meant to fade into the background, but elevate the aesthetic of your space.

SINGLE DOOR REFRIGERATORS

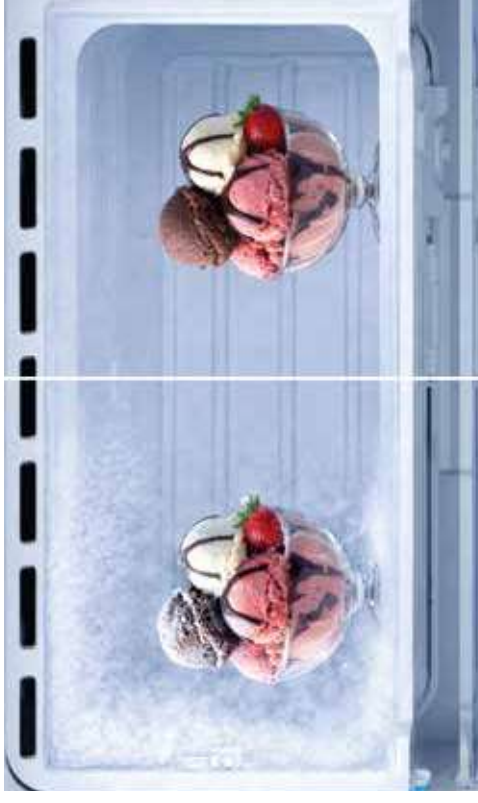

India's First Direct Cool Refrigerator with Touch Control on the Handle*

Every setting at your fingertips. Adjust temperature and activate modes like Turbo Cool or Auto Defrost from a sleek, water-resistant and intuitive interface built seamlessly into the handle.

Intelligent Auto Defrost Technology

No more scraping ice or waiting for it to melt. The fridge prevents from buildup automatically to keep cooling consistent and effortless. But on days you want to be in control of the defrosting, like when you have an ice cream in your freezer, you can also turn off Auto Defrost and switch easily to manual defrost.

Up to 24 Days of Farm Freshness

Freshness that lasts with Moisture Control Technology. Godrej Refrigerators help retain the natural moisture and nutrients of your fruits and vegetables, keeping them farm-fresh for up to 24 days. Now, enjoy crisp greens and juicy fruits every day, just the way you like them.

EDGE IMPRESS

RD EIMPRESS 230EN TDIE | 215EN TDIE

India's first refrigerator with touch controls on the handle.

Welcome the Godrej Impress Refrigerator: first in the industry with intuitive touch controls seamlessly integrated into a sleek handle. From adjusting temperature to activating modes like Turbo Cool or Auto Defrost, everything you need is right in your grip.

Its intelligent Auto Defrost technology prevents frost buildup, ensuring consistent cooling without the effort while the Moisture Control Technology, it keeps farm freshness locked in for up to 24 days.

All of this along with a seamless curved door design that makes it look like it belongs to an art gallery.

Available in 207L and 194L Total Volume
